Metalogics
70 North Queen St.
Etobicoke, ON M8Z 2C9

It is with great gratitude that I write to you in your upmost generosity in donating vehicles and parts to our private career college, Automotive Training College – Toronto Campus. Because of you, our students greatly benefit from your donations, as we serve to teach the skills that the auto industry demands today. Your donations help us provide a learning environment for effective learning outcomes and positive student experiences in our school community.

Thank-you.

Don Pannunzio
Campus Director
