Metalogics Supports Mental Health Programs with Event Sponsorship for Peel Children's Centre

Sponsor Social Media Profile: Metalogics

Peel Children's Centre is excited to announce that this year's Cosmic Bowl Silver Sponsor is Metalogics!

Metalogics buys and sells scrap metals and provides customized scrap metal and recycling services to residential, commercial, and industrial scrap metal producers. Headquartered in Etobicoke, Metalogics also sponsored Cosmic Bowl in 2016.

When asked why Metalogics chooses to support PCC, President Nick Giampaolo's answer is straight-forward: "Metalogics understands that it's a privilege to operate in the community and therefore we look for ways to give back, where possible, to show our appreciation," he says, adding that children's mental health is a cause that matters to many people on the Metalogics team.

Learning more about PCC and children's mental health has been eye opening for Nick and his team. "Prior to our involvement with PCC, our understanding of children's mental health was limited," says Nick. "We've come to learn the challenges and struggles that children with mental health face and some signs to identify when/if they may be in need of support. We wish that others could be as fortunate as we've been to learn to identify these signs."

Nick says he and the Metalogics team were inspired by the level of participation in Cosmic Bowl last year, and they couldn't wait to join in the fun again this year. PCC thanks Metalogics for their ongoing support, and look forward to welcoming you to our 14th Annual Cosmic Bowl on Thursday, May 24th, 2018!

About Peel Children's Centre

Since 1985, Peel Children's Centre (PCC) has provided free and confidential mental health services to over 4,300 children, youth and their families annually. In 2014, PCC was named Lead Agency for the Region of Peel as part of Moving on Mental Health, the Provincial Government's plan to transform child and youth mental health services in Ontario. PCC continues to work with our community and provincial partners to build a better mental health system for children, youth and families in Peel and across Ontario.
